Public Hearing

Village of Manchester Board of Trustees

Monday, March 4, 2024 at 4:30 pm

Village of Manchester Office, 45 Union Street, Manchester Village

There will be a Public Hearing for the review, comment, and possible Board of Trustee approval of a modification to the Short-Term Rental Ordinance on Monday, March 4, 2024. This meeting will be held at 4:30 pm, immediately prior to the Regular Meeting of the Village of Manchester Board of Trustees.

The proposed modification is a correction of the section which lists the proper entity to hear appeals under this ordinance. The current version of the ordinance requires any appeal of a decision of the Short Term Rental Officer to be brought to the Zoning Administrative Officer. The proposed change will be to list the Board of Trustees as the proper entity to hear appeals.

Please contact the office with questions or comments.
